

# SERVING OPPORTUNITIES

## **PRESCHOOL (Birth-Pre-K)**

There's a whole lot of them and just a few of us. Help a growing ministry provide a place kids love to be. You can serve on Sunday Morning or on Wednesdays Nights.

## **CHILDREN (K-6th Grade)**

Providing a space for kids to learn about Jesus while parents grown through the intentional study of God's Word - that's pretty great to be a part of. You can serve in Sunday Super Church, Bible Adventure Club on Wednesdays, or Summer Blast.

## **TEENS**

Building a generation that loves Jesus requires those with life-experience and heart for God to invest. Equip and encourage those who will follow after you. You can serve with Special Events or as a Middle School or High School Teen helper.

## **First Impressions (Host Team)**

We exist to remove barriers so that others can experience Jesus. With lots of places to serve you can be a Door Holder, Greeter, Guide, Children's Check-In Host/Hostess, help with Traffic Control, or Guest Services.

## **COMMUNITY GROUPS**

Leading a group doesn't mean having all the answers. It means creating an environment to ask questions. You can serve as a Sunday, Weekly, or College Group Leader.

## **WORSHIP**

Do what you love alongside others who share your same gifts and passions. You can serve in Orchestra, Piano/Guitar, Worship Team, or Special Music Groups.

## **AUDIO VISUAL TEAM**

If you have experience in photography or video/audio production, or are interested in learning more, we want you on our team.

## **CLEANING & GROUNDS TEAM**

If you have a passion for beautifying our place of worship, we would love to have you on our building and grounds team. There are opportunities for monthly, or bi-monthly service in our Buckets & Brooms building cleaning teams and outdoor lawn care.

## **MISSIONS**

We would love to serve with you as we share Jesus both locally and internationally. You can find a complete list of mission opportunities by reaching out to us.
